

Terms and Conditions, OneCard

Please read and acknowledge this Agreement before using your OneCard account. It contains the terms and conditions of the OneCard account linked to your OneCard. By adding value to your OneCard, registering for online account access and/or using your OneCard account, you agree to be bound by the terms and conditions contained in this agreement, which will govern your use of the OneCard account. Please read this agreement carefully.

The OneCard serves as your college Identification Card. It can be used to check-out library materials, and to access discounts at participating businesses as those are negotiated by the college. If you choose, you can open and link the card to a pre-paid US Bank debit MasterCard account. When you register your card, you will also have the option of choosing to have your financial aid disbursements directly deposited to your pre-paid US Bank debit MasterCard account.

If you choose to have your financial aid disbursements directly deposited into a pre-paid debit MasterCard account, or to open a pre-paid debit MasterCard account without a financial aid disbursement, you will be required to sign US Bank's terms and conditions for that account and will be personally responsible for any banking fees that you may incur while using the card. If the College discovers that the electronic transmission for a financial aid disbursement will result in an overpayment of financial aid due and payable, the College shall have the authority to immediately terminate any transfer made.

When you register your card, you will also have the option of having your financial aid disbursement directly deposited to a personal checking or savings account of your own choice.

Additional services may be added to your OneCard in the future. The college will provide you with additional information regarding those services as they become available.
