## **Limestone College and CardSmith Sign Multi-Year Contract Extension**

May 24, 2010

Gaffney, SC/Doylestown, PA:

Limestone College and CardSmith LLC today announced a multi-year renewal and extension of their campus card services agreement. Under the agreement, CardSmith will continue to provide Limestone College's Gaffney campus a comprehensive management service and solution for the *LCard*, the college's multi-application ID card. The card features meal plan accounts and *LCash* - a prepaid flexible spending account enabling students, faculty and staff to make purchases at the campus store, dining hall, library, copy machines, laundry facilities, the Business Office – and at local off-campus businesses. Students, parents and authorized guests have 24/7 access to a dedicated program web site [www.limestonecard.com](http://www.limestonecard.com) to manage accounts, add value by bank card and more. CardSmith hosts and manages transaction technology and service for the program and provides professional customer care and operations support.

“The LCard has enabled us to provide improved services to our campus community and we are pleased to continue our relationship with CardSmith through this agreement extension,” said Adam Long, Associate Vice President for Information Technology at Limestone College. “The LCard has become an important part of college life and this agreement ensures that our campus will continue to enjoy the services CardSmith provides on terms that are transparent and favorable to the College.”

“We are very pleased to extend our relationship with Limestone College,” said CardSmith President Jay P. Summerall. “The LCard has grown steadily since its inception in 2005, and we look forward to contributing to its continued success.”
